

## Save Time And Money

### Do You Want to:

- Reduce Process Steps?
- Optimize Labor Resources?
- Increase Package Speed?
- Improve Accuracy?
- Enhance Data Collection?
- Eliminate Supply Waste?
- Reduce Downtime?

If you answered "YES!" to any of these questions, call us for a Fastrax Analysis!

### What is Fastrax?

Our exclusive diagnostic analysis that provides in-depth examination of your distribution center and logistics operations.

### Fast

Increasing productivity and improving transit speed through the Distribution Center.

### Tracking

Improving data collection and accuracy, fully integrated with your Warehouse Management System.

### Fastrax™

Proven consulting services that help you achieve the ultimate level of productivity and accuracy in receiving, handling, sorting and shipping of products. Save time and money! That's Fastrax!

### Integrated Solutions

Avery Dennison offers integrated solutions to critical problems facing your business, complete with industry expertise, printers, supplies and service. Let our consultants help your distribution center to become more accurate, optimized and a strategic asset!

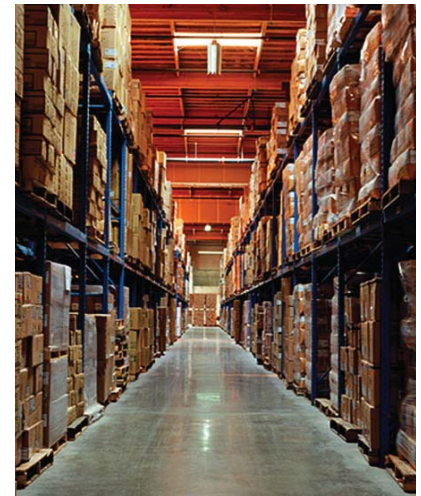

**Why Avery Dennison?**

**Focus** - We have been focused on retail supply chain solutions for over 100 years. We understand the distribution and logistics requirements of retailers and deliver solutions that fit their needs.

**Experience** - Our customers include over 90 of the top 100 retailers. From receiving to shipping, we are the experts in product identification, tracking and price-marking solutions for the retail supply chain!

**Resources** - Our in-house resources include: State-of-the-art development lab to ensure product quality and creative new solutions; supplies consultants to match the perfect supply solution to your application; award winning manufacturing processes; systems integration team for innovative connectivity solutions

and a smooth implementation; and Monarch Nationwide Service for fast, efficient post-sale attention.

**No Obligation Analysis**

Find out what Avery Dennison's free Fastrax analysis can do for you! Call our Fastrax consultants at 800.543.6650, prompt 5.

**How Do We Do It?**

By following these **Six Steps to Success**, we can help you optimize your operations:

**1. Understand Your Goals.** Our consultants will work with you to gain a thorough understanding of what you are striving to achieve in your distribution center.

**2. Understand Your Key Needs and Objectives.** We want to understand your pain...what business challenges are keeping you up at night.

**3. Conduct a Thorough Analysis of Your Distribution Center and/or Manufacturing Facility.** The Fastrax team can observe and analyze your current processes.

**4. Map Key Processes.** We can provide you with flow charts of key processes.

**5. Develop Recommendations.** Post-analysis we can meet with you to discuss our findings and propose recommendations.

**6. Develop Solutions to Fit YOUR Needs.** Working with you, we can develop customized solutions based on our findings

and your goals, needs and objectives.

*Avery Dennison offers integrated solutions to critical problems facing your business, complete with industry expertise, printers, supplies and service.*

*Let our consultants help you make your distribution center more accurate, optimized and a strategic asset!*

**Monarch® Supplies:** For smooth and reliable performance, only Monarch supplies are recommended for use with Monarch printers. Our labels scan virtually 100% of the time, cutting wasted rescanning and labeling time.

**Monarch® Service:** Every Monarch printer is fully supported by Monarch Service, the largest network of experienced, full-time bar code and RFID technicians in the industry.
