

Labeler Accessories

Tools that SAVE you time

Holsters, Clips and Belt—keep labelers and tools close at hand

Spend less time looking for your tools and more time using them. With a Holster, Clip or Belt your tools are always by your side, ready to use in an instant!

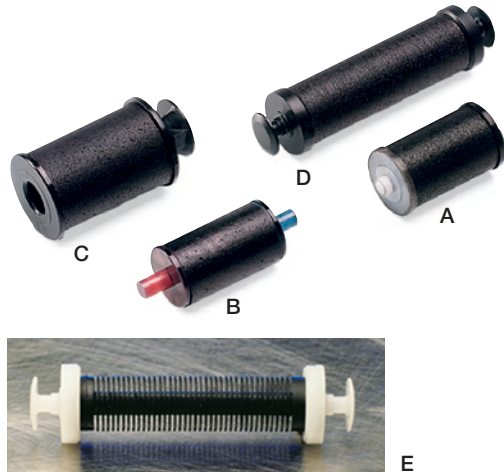

If you're looking for simplicity, choose from a simple clip of durable plastic or one of stainless steel. Either slips over any belt—fits perfectly over our adjustable 2" polypro belt.

There's also a variety of Holsters—leather, washable vinyl or multi pocket all-purpose polypro. All three slide easily onto the 2" polypro adjustable belt. The multi-pocket holster holds additional tools such as marking pens, box cutters, rulers and other tools of the trade.

Labeler Accessories

Monarch ink rollers—for optimum high print performance

Every character prints crisp, clean characters for easy reading by both your customers and you. And that's just one good benefit. The easy snap in pop out roller is a breeze to change*—minimize ink on fingers, clothes and merchandise.

*All Monarch® Crown Series™ Labelers feature the easy change ink rollers.

Save a nail...use a scraper

Pick from three different scrapers, two plastics or a steel tip. Scrapers are ideal for removing old labels and their adhesive residue—use them for tape too! Why risk breaking nails or getting sticky residue on your fingers? Keep a supply on hand for all those “sticky situations”!

- M00PLS01 Black plastic scraper (pkg. 10)
 900415 Orange metal tip scraper (pkg. 4)
 000935 White all-purpose scraper (pkg. 20)
