

Avery Dennison™ Mark III™ Tag Fast™ System

Faster, Stronger, Better!

Tag Fast Tool and Needles

Designed especially for meat tagging, Avery Dennison's Tag Fast Tool is made of corrosion resistant material. It features several drain holes so debris can be flushed out quickly and easily. Stainless steel needles resist corrosion.

Tag Fast Fasteners

These unique fasteners have been redesigned to make them better than ever. Stainless steel needles resist corrosion.

Key features and benefits

- Extra strong, double paddle makes gripping easier for one-piece fastener removal.
- 50 fasteners per clip allows for greater productivity.
- Nylon 6/6 material does not contain caprolactam (a toxic irritant).
- Fasteners have 25% more tensile strength.
- Wide trigger grip—makes inserting needle through tougher materials easier.
