MOBILETY Software + Monarch® Pathfinder® Ultra® Platinum™ Printer = Portable Processing Made Easy!

*Load MOBILETY software and
be ready to unink your supply
link with a single hand!*

Monarch Pathfinder Ultra Platinum Printer

Avery Dennison's innovative, handheld scan, print and apply printer featuring wireless capabilities and Windows CE technology, offers the latest in MOBILE process-improvement throughout the supply chain.

MOBILETY Software

MOBILETY software is a complete, ready-to-load program that is expandable, and user-friendly with multiple applications that can be switched "on the spot".

Unink Your Supply Link

Got a kink in your chain? Whatever function you perform in your supply chain, MOBILETY makes it more efficient and MOBILE!

This MOBILE solution performs where you are. Carry your database with you to the store floor, storeroom, warehouse or distribution center to complete all of your printing and data collection applications.

Do It All With ONE Solution

This single solution can be used all day, everyday from warehouse to back room to selling floor.

Single-Handedly Improves In-Store Data Collection

MOBILETY loaded on the Ultra Platinum printer provides access to data lookup files, improving the efficiency of all of these in-store functions:
